Dear Parents and Carers,

I am writing to let you know about a police-run project called Operation Encompass which aims to support children who are affected by domestic abuse. This is a project which has been in place for several years.

Following a domestic abuse incident, the police will contact the school and communicate relevant information to the designated staff members. This ensures that the school is made aware at an early stage, enabling us to effectively support children and young people, ensuring their safety and wellbeing.

Each school has members of staff who are trained to liaise with the police and support the child if this is deemed necessary.

We are committed to working in partnership to safeguard our children and provide the best possible care and support.

In the meantime, if you would like to speak to someone further about the project or require further information, please do not hesitate to contact Mrs Davies (Designated Safeguarding Lead), or Miss Wilson (Deputy Designated Safeguarding Lead).

You can also find out more about Operation Encompass via the following website:

Yours sincerely,

Mrs. G. Reynolds
